

Progress report in Mexico (April 2008 – October 2008)

1. Public engagement

- Neuroethics related press articles (10) published by a well known Mexican newspaper (Publico-Milenio) from Guadalajara City.

<http://www.milenio.com/suplementos/uno/>

2. Institutional engagement and contacting

- Mexican Psychiatric Association - Asociación Psiquiátrica Mexicana, A.C. : Dr. Martha Ontiveros (President) and Dr. Eduardo Madrigal (General Secretary and Bioethics Committee Coordinator) support relations with the INN and look forward to engage in mutual issues.
- National Bioethics Commission – Comisión Nacional de Bioética: Dra. Dafna Feinholz (Technical Director) supports a Mexican representation with INN.
- Bioethics Academy – Colegio de Bioética, A.C. : Dr. Rubén Lisker (President) will present the INN activity program in the next directorial meeting in order to join efforts and the web page in their own.
- University of Colima – Universidad de Colima: Christian Torres Ortiz M.A. (Information director) is planning a Neuroethics workshop session soon at the campus.
- Mental Health Council of Colima – Consejo Estatal de Salud Mental de Colima: Dr. Moisés Rozanes (General Coordinator) is working with the Ministry of Health for a Neuroethics general workshop in 2009.

Dr. Moisés Rozanes
